## **Public Workshop**

### ***Bridge 3-714 on New Road over Canary Creek***

**Tuesday, March 24, 2020 from 3:00pm – 6:00pm**  
**Lewes Public Library**  
**111 Adams Avenue, Lewes, DE 19958**

The Delaware Department of Transportation (DelDOT) would like to invite residents and all other interested parties to a public workshop regarding the replacement of Bridge 3-714 on New Road. The purpose of the meeting is to present the findings of a recently completed hydraulic study. The hydraulic study was performed to determine a proposed bridge replacement size and proposed roadway elevation that would assist in reducing localized flooding.

**The workshop will begin with a brief presentation at 3:15pm followed by an opportunity for questions and comments. For convenience the presentation will be repeated at 4:15pm and 5:15pm as needed.**

This workshop location is accessible to persons having disabilities. Persons who require auxiliary aids and services such as qualified interpreters are requested to contact DelDOT by phone or mail one week in advance.

For further information contact DelDOT Community Relations at 1-800-652-5600 (in DE) or 302-760-2080, or write to DelDOT Community Relations P.O. Box 778, Dover, DE 19903, or via email to [dotpr@delaware.gov](mailto:dotpr@delaware.gov).
